Convolution  
Equations And  
***Singular integral  
equations-I*** In this  
lecture, we discuss a  
method to find the  
solution of a singular  
integral equation i.e.  
an integral equation in  
which ...

***Singular integral  
equations-II*** In this  
lecture we discuss the  
general form of the  
solution of the Abel  
integral equation.
