David LaChapelle: Lost + Found, Part I & Good News, Part II

David LaChapelle made his name by shooting celebrities colliding with consumer detritus: baubles, flowers, and fame recombining in delirious explosions of color. In the nineties and early aughts, his slick aesthetic, which lifts lavishly from Christian pageantry and Renaissance painters, was inescapable, splashed across fashion editorials ...

David LaChapelle

David LaChapelle. Good News. Part II | newmags

David LaChapelle is an American commercial photographer, fine-art photographer, music video director, and film director. He is best known for his photography, which often references art history and sometimes conveys social messages. His photographic style has been described as "hyper-real and slyly subversive" and as "kitsch pop surrealism". Once called the Fellini of photography, LaChapelle has worked for international publications and has had his work exhibited in commercial galleries and inst

David LaChapelle - Wikipedia

LaChapelle's photographs tell stories, and he creates them in a unique way. For example, every detail in the scenes you see on the photographs is constructed by the artist; no Photoshop is involved.
