### Fire Baptized Santeria Habitat 1

Fire Baptized is a mystery, supernatural, and romance novel all mixed up into one deliciously decadent treat! Fire Baptized follows Lanore a "Mixbreed" who lives in the habitat, which is a caged city where humans have exiled supernaturals. Lanore as a Mixbreed was born of two different supernatural species and they are further ostracized by the Supes (purebred supernaturals).

### Fire Baptized (Santeria Habitat, #1) by Kenya Wright

Fire Baptized has been on my TBR pile for a long while. To be honest, it was the cover that caught my eye and then to my delighted shock it has an AA female lead. Let's just be real and say that PNR is probably right after historical romance when we talk about the desert of diversity that is present

A tiny flame formed near my palm and then faded out. I tried releasing more heat. The flame faded again. Fuck. Fire is created when flammable liquid and oxygen are exposed to heat. My pores naturally released heat and flammable pyrobem oil. Presently, water drenched my skin, depriving my fire of the oxygen and heat it needed for combustion.
