Freelander 1.8 Gearbox Oil Replacement

Hi. I've just renewed the gearbox (fully synthetic) oil in my 2006 FL1 Td4, manual, and it took 1.85 litres of oil. The car was perfectly level so no problems there. I measured what went in, and of course what came out. And, it too was 1.85 litres, although as black as tar. It's only a guess, but I reckon the oil had never been changed.
