The term Left of Bang refers to the attack timeline where Bang (in the middle) is the attack. Everything to the left of it is what precedes the attack, and what's on the right is what follows. Left of/before the attack is the time for proactive prevention. Right of/after the attack begins is when reactive countermeasures take place.

### Left of Bang - Protection Circle

Left of Bang is a metaphor for preventing the attack, the first shot, the explosion etc. The authors advise to think about an attack on a timeline, bang is in the middle. Bang is the act.
