On Television - Pierre Bourdieu - Google Books

The principle that determines this selection is the search for the sensational and the spectacular. Television calls for dramatization, in both senses of the term: it puts an event on stage, puts it in images. In doing so, it exaggerates the importance of that event, its seriousness, and its dramatic, even tragic character.

On Television - The New York Times

On Television Pierre Bourdieu Hailed by the New York Times as "illuminating...vivid and clearheaded," Pierre Bourdieu's "acid appraisal [of television] will provide shudders of recognition for American readers" (Publishers Weekly).

On Television | Pierre Bourdieu | download

Summary: Bourdieu argues that television's influences and its power cause problems for print news media and culture. First of all, TV is able to attract audiences much more than any other medium. The author claims that the evening news on a French TV has more people than all the newspapers together, morning and evening editions included (p. 254).
